I believe we have reached a critical point in our attempt to preserve our remaining property rights and land values. I believe that the recent elections have significantly reduced our ability to protect our rights from additional regulatory "takings". I believe that recent Town Board decisions demonstrate a lack of resolve by any of Victor's political parties or policy makers to protect and preserve our rights.

We are out of time! We need to act now! Please contact me at 924-3480 (work) or 734-2173 (cell). I am available to discuss any of the above items prior to the meeting.

Sincerely,
Jack Dianetti
